The year marches onward! Let's look back on the month of May.

Our night at The Fillin Station on Lady's Island was lots of fun. You can't beat the view of the marsh!

Parna and Rob made door signs on their date night!

These BMH ladies got together for a girl's night with us. They all did such a nice job on their paintings!

Donelle and Ethan's "mommy and me" afternoon painting with some glitter paint!

Making wooden earrings and special memories with Mom. Wendy's daughters came in from Tennessee to spend some time with their mom. Awe!

Happy birthday Robin, Jen and Linda! This was a multiple project class – there were oyster shell signs, votives and ornaments. There were also two chunky blankets and a charcuterie board. What a fun class!

Cynthia Ray made a porch sign for her she shed in her garden. What an adorable sign!

Qurana and Felicia had a girl's night out

Nurses Week brought these wonderful ladies in from Amedisys, a home health/ hospice care agency. Thank you for all that you do 🤝

Date Night with Brenda & Keith and Lutrelle & Vince. They were looking to get away and found our studio all the way from Florida and Georgia! We were so happy to have you as our guests.

Celebrating Mom: Making memories with Mom, creating Charcuterie Boards and showing off their Southern Palette koozies!

Clayton Homes staff had a much needed night out together. They all chose to paint a Van Gogh inspired piece of the swing bridge in Beaufort. They each put their own spin on the painting.

Family and friends came out for Paint Night on one of our recent rainy days!

THE GARCIA FAMILY

**YOU
CAN
HELP**

Southern Palette Art Studio is spearheading a donation drive for the Garcia family from Garden City. On Valentine's day their house was fully engulfed by flames and everything was lost. The youngest, Max, was rescued by his dad Richard, but suffered serious burns requiring ongoing skin grafts and hospitalization. I reached out to Kelli the mom. She told me about her family, the fire and the devastating aftermath.

If you can help in any way, either monetary or donating new or gently used items, we will be collecting the items at Southern Palette Art Studio throughout the month of June and personally delivering to them. Items can be dropped off by Southern Palette's side door on the patio. Let us know when you drop something off if we're not there so that we can put the items inside our studio. Arrangements can be made to pick items up as well.

The family's clothing sizes are listed below.

Maximus (Max), age 5: clothing size 6, shoe 11c

Richard Jr. (Richie), age 6: clothing size 8, shoe 13c

Chris (CJ), age 11: clothing size 12, shoe 4
